This application form is your expression of interest in the Sacred Heart international exchange program within the Network of the Sacred Heart schools. You may not apply to the Sacred Heart exchange program if you are currently applying out or considering attending another school in the fall. When considering applications, preference is given to students whose application clearly shows that they are genuinely interested to learn about the other school, about the other country, and about the other culture. The applicant needs to show her ability to fit in with the life of her host family and be willing to help with daily chores. She is asked to comply with the school's routines and regulations and she must attend the classes offered at the year level in which she is enrolling. She may, under no circumstances, cut class or distract other students from their studies.

If the applicant is deemed by the Exchange Committee to be a suitable candidate for an exchange program, the timing of the requested placement is considered, taking into accounts events on the school's academic calendar and the program that will be missed at your school. Once approved by the Head of School and the Exchange Coordinator, you will be contacted for further questions.

This application form must be returned fully completed by email to your exchange coordinator.
